Please answer our questions only to better serve you and not try to figure out what your needs are. Interior Design is a process that takes time and good listening skills on the part of each person involved. Our goal is to help you in everyway possible, to fulfill your dreams and aspirations for a residence that best suits you. No project is too large or too small for our consideration. We offer a complete range of services to fulfill your every need.

Our design fee is discretionary and will be discussed before we begin working with you. The Knoll Interior Design has a vast collection of furniture styles for your consideration.

Thanking you for this opportunity, we will do all in our power to meet and exceed your expectations. You are VERY important to us!
